Julie and Chuck,

I hope you both are enjoying your summer! [REDACTED] It has gone by really fast.

Jon and I have been discussing my return to work recently, and with [REDACTED] my commuting time it realistically makes sense for me to work a reduced work week. We have determined that I will be able to work 3 full days per week. I know that this is something that people have been allowed to do in the past and I hope that this won't be an issue for me to do as well.

This has been a very hard decision for me but I believe it is the best case scenario for everyone. Please let me know what I need to do to make this transition.

Thanks and I look forward to hearing from you soon,
Kate
